II. Notifications Nos. 257 and 258, dated 11th September 1890, appointing Municipal Commissioners.

Resolution.—Read and recorded.

III. Government Proceedings No. 7040—785, dated 11th September 1890, about alterations of Municipal Divisions.

Resolution.—The Proceedings of Government para 4 were read and considered. It was remarked that some of the present Divisions were too large for efficient supervision and the grouping was in some instances unsystematic and entailed much waste of power in the conservancy and other agency employed in looking after them. To secure a larger number of Commissioners and also to secure efficient management, it was, after much discussion, resolved that the V and VI Divisions be cut up into two Divisions each. There will then be 8 Divisions in place of the 6 now existing. It was also resolved that, with a view to numbering the Divisions on some system, a start be made with the northernmost Division which may be called the Palace Division and numbered as the 1st. The Divisions as now re-cast will be as follows :—

No. I. "Palace Division." All to the west and north of the Madras Railway line from the Railway crossing near the Silahdar lines on the Subedar Chattram Road, consisting of Guttahalli, the Palace, Munireddipalya, &c.

No. II. "High Ground Division." All to the south of the Railway line down to the northern limit of (the present 1st and 3rd Divisions) the proposed 3rd and 5th Divisions.

No. III. "Balêpete Division."
No. IV. "Manavartipete Division."
No. V. "Ulsurpete Division."
No. VI. "Nagratapete Division."
} To have their present limits of the 1st, 2nd, 3rd and 4th Divisions respectively.

No. VII. "Lal-Bagh Division."

No. VIII. "Fort Division."

The road running south from the Bamboo Bazaar and between Kalasipalyam and the east Fort glacis on to the Karanji Tank bund to Kankanhalli road, to be the dividing line. All to the east of the above road to be called the 7th and all to the west the 8th Division.

The increase in the Divisions involves the appointment of 4 new Commissioners for the 2 new Divisions, thus formed out of the present V and VI Divisions and the Board recommend the following Gentlemen for selection and nomination :—

No. I. "Palace Division." Messrs. A. Krishnaswamaiengar and T. T. Leonard.

No. II. "High Ground Division." One more Commissioner is required in addition to Mr. H. Hart and the names of Messrs. H. Sparkes, Wolsey Smith and K. Doraswami Iyer, are recommended for selection.

No. VIII. "The Fort Division." In addition to Mr. Virasami Mudaliar, one more Commissioner is required and the names of Messrs. A. Rangaswamaiengar (Comptroller), Subraya Mudaliar (Advocate) and Varadanna (Chief Clerk, Session Court, Civil and Military Station) are to be submitted.

IV. Ganigars' petition for exemption from Mohatarfa tax.

Resolution.—With reference to previous Orders and Resolutions given in the margin about removal of the oil-mills from the Town, the Board consider that in the best interests of the Town, the removal of the oil-mills to a convenient distance is absolutely necessary and that Government be solicited to re-consider their Order No. 5350—620, dated 11th January 1880 and to sanction the early removal of the oil-mills. In connection with this subject, the Board wish it to be recorded that in case the oil mongers agree to shift to a place outside the Town to be pointed out, their application for exemption of their mill tax would be favorably considered.

No. IV of 25th July 1879.

V. Mr. Gopalacharlu's letter, dated 20th September 1890, requesting to sanction a permanent grant of Rs. 50 towards the Srinivasa Mandiram Library.

Resolved to be deferred to next Meeting.

VI. Appointment of an itinerant Medical Officer for the City.

Resolution.—The present arrangement to continue till the services of a more qualified Medical Officer are secured. The medicines and furnitures obtained from Messrs. Abraham and Co., to be kept in a room in the Taluk Cutcherry. The pensioned Hospital Assistant Armuga Mudaliar will itinerate in the Town in the mornings and attend at the Taluk Cutcherry room in the afternoons to dispense medicines and to attend to calls.

VII. Introduction of wheel tax and toll-bars.

Resolution.—Read Vice-President's Memo about introduction of tolls and license fees under Schedules A and B of the Regulations.

Resolved.—That sanction of Government be solicited to enable the Municipality to levy the taxes, as the roads are deteriorating and the Municipal Funds are insufficient to meet the calls in this direction. The carriages in the City and those coming from outside do not now contribute a pie to the maintenance of the roads. The Board consider that it is time that they were made to pay something towards the Municipal revenue.

VIII. Providing bathing ghats near the new Agrahar and Jakarayan Tanks and opening out a new road by the Woollen Mills to Kengeri Road.

Resolution.—Read Vice-President's Memo about bathing ghats. Resolved that bathing ghats and tanks are very necessary as also the opening of road by the Woollen Mills; and that mantapams should also be provided to secure privacy and shelter. The sites to be selected and estimates with full details to be brought up for approval at the next Meeting.

IX. Widening the Dodpete Chauk.

Resolution.—To be deferred.

X. Reserving the open space called Kemannugundi (including the land leased to Appavu Chetti and Sons for Workshops) for a play ground after getting it levelled and railed.

Resolution.—To be reserved for discussion at the next Meeting.

Additional Papers.

Read Vice-President's Memo about daily conservancy in the Town.

Resolved.—That temporary establishment asked for be sanctioned and the matter be brought up for formal discussion and sanction at the next Meeting.
